"Improving Language & Literacy at Home with Technology"

(For English & Chinese)

Speaker: Mr Sebastian Tan (JLB Educational Technology)

Talk & Demonstration: 19th January 2019, Saturday
Venue: Our Children's House Internationl Childcare Centre
106 Paya Lebar Crescent Singapore 536136
Time: 10.30am to 12pm

Our Children's House will be using the following to enhance language and literacy development. Join us for a talk and demonstration on:

- **TCEP Chinese for Early Learners (new edition)**, a Chinese curriculum developed by Confucius Institute-Nanyang Technological University.
- ***Cambridge Reading Adventures* (CRA) books (new edition),** from Cambridge University Press (UK).
- **Pen Pal Whizz reading pen and stickers**- amazing educational tools for interactive reading. Great for parents and children with little or no language background.

A special selection of English and Chinese books ideal for language and literacy development and the Pen Pal Whizz Pens will be showcased for orders at discounted prices (only on **19th January**).

So, come and join us on **19th January** and do not miss out! ***Register at: enquiriesoch@gmail.com***
